### Young Learner Pre-Enrolment Handbook

Dear student / parent(s) of student / designated caregiver(s),

**Congratulations and welcome to NZLC! This is a very exciting time for you and we are looking forward to having you here with us!**

Travelling abroad can also feel a little scary but don't worry, here at NZLC our job is to take care of you. We have been welcoming Young Learners for over 30 years and we want to make sure you have an enjoyable, safe and unforgettable study experience 😊

This handbook is designed to introduce you to the NZLC procedures and rules that we expect you to follow during your studies. Please read this book and the NZLC Pre-Departure Manual carefully and don't hesitate to let us know if you have any questions!

**We look forward to meeting you soon!**

#### Talk to NZLC Staff

On your first day, you will be introduced to the Young Learner Advisor. This person will be your main contact and you can talk to him / her at any time during your studies if you have personal problems, requests or you are feeling unwell, unhappy or unsafe. You will also be introduced to the Student Services team who can also help you when the Young Learner Advisor is not available. Don't be SHY! We are here to help you!

#### First Language Support

First Language Support is available for Young Learners of most nationalities. However, if you want to talk to someone in your first language and NZLC does not have an available staff member, please let us know and we will arrange this for you.

#### Young Learner Rules

We have a few simple rules for you to follow to make sure you are safe and everyone is happy during your studies:

- Attend class every day.
- No smoking or drinking alcohol.
- No bad language or rude hand gestures.
- No fighting at any time.
- Be polite at homestay and school.
- Come to school before 9.00 a.m. every day.
- Go back home by 6.00 p.m. every day.
- Respect school property, listen to your teacher and follow their class rules.

You are expected to follow these rules as well as the general school rules found in your classroom, your **Pre-departure Manual** and **Student Handbook**. If you can't follow these rules, warning letters may be given for unacceptable behaviour or low attendance and in extreme cases, you may be sent back to your country so to avoid problems, please follow them carefully! *(If you would like to see the full behaviour procedure in cases when these rules are not followed, please refer to the NZLC Pre-Departure Manual or see Student Services.)*

New Zealand is generally a safe country but you should still be careful. In your **Pre-Departure Manual**, you will find a **Safety in NZ** section and we will also go over the general safety guidelines on your first day, including sun, water and road safety.
